

Northeast Border Terrier Club Fun Day

Saturday, September 28, 2024

at

Gardner Fish & Gun Club

538 Clark Street, Gardner, MA 01440.

10 AM to 3 PM, Rain or Shine!

Club members AND non-members are all welcome!

Does your Border Terrier like checking out places where there might be critters? Learn more about AKC Earthdog tests, maybe introduce your dog to caged rats, and the short Intro tunnel. All situations carefully managed by experienced folks who can help you and your Border.

There are plans to have a small agility setup of jumps and tunnel. Agility can be challenging but also creates a great partnership between you and your dog.

Have a shaggy Border but not sure how to deal with its coat? Need tips on maintaining the coat? Folks will be happy to answer your questions and maybe demonstrate. (Do not assume they will strip your dog)

As we will have a lunch break, please bring a lunch for yourself. Also, if you have a favorite dessert/appetizer you'd like to share with the group, please feel free to do so.

Most importantly this will be an opportunity to meet and chat with fellow BT owners.

Please be sure to bring lots of water for your dog(s). Since available shade is minimal, you might consider bringing shade for you and/or your dog(s). NO flexi-leads will be allowed. There are indoor bathrooms available.
